

Child Safeguarding Statement

Sutton Park School is a multi-denominational, co-educational primary and post-primary school providing primary and post-primary education to pupils from Junior Infants to Sixth Year. In accordance with the requirements of the [Children First Act 2015](#), [Children First: National Guidance for the Protection and Welfare of Children 2017](#), [the Addendum to Children First \(2019\)](#), the [Child Protection Procedures for Primary and Post Primary Schools \(revised 2023\)](#) and [Tusla Guidance on the preparation of Child Safeguarding Statements](#), the Board of Management of Sutton Park School has agreed the Child Safeguarding Statement set out in this document.

- 1 The Board of Management has adopted and will implement fully and without modification the Department's *Child Protection Procedures for Primary and Post Primary Schools (revised (2023))* as part of this overall Child Safeguarding Statement
- 2 The Designated Liaison Person (DLP) is Ronan Walsh
- 3 The Deputy Designated Liaison Person (Deputy DLP) is Deirdre Mullen
- 4 The Relevant Person is Ronan Walsh
(The relevant person is one who can provide information in respect of how the child safeguarding statement was developed and will be able to provide the statement on request. This person can also be the DLP)
- 5 The Board of Management recognises that child protection and welfare considerations permeate all aspects of school life and must be reflected in all school policies, procedures, practices and activities. In its policies, procedures, practices and activities, the school will adhere to the following principles of best practice in child protection and welfare:

The school will:

- recognise that the protection and welfare of children is of paramount importance, regardless of all other considerations;
- fully comply with its statutory obligations under the Children First Act 2015 and other relevant legislation relating to the protection and welfare of children;
- fully co-operate with the relevant statutory authorities in relation to child protection and welfare matters;
- adopt safe practices to minimise the possibility of **harm*** or accidents happening to children and protect workers from the necessity to take unnecessary risks that may leave themselves open to accusations of abuse or neglect;
- develop a practice of openness with parents and encourage parental involvement in the education of their children; and
- fully respect confidentiality requirements in dealing with child protection matters. *[The Data Protection Acts 1988 - 2018 do not prevent the sharing of information on a reasonable and proportionate basis for the purposes of Child Protection and where there may be a conflict between confidentiality and the safety and welfare of the child, the latter will always be the primary consideration.]*
- ensure that regardless of age, ability or disability, race, religion or belief, gender identity, sexual orientation and socio-economic background, all children shall have a positive and enjoyable learning experience in a safe and child centred environment. Sutton Park School acknowledges that young children, children with disabilities and/or AEN, LGBTQ+ children and those from ethnic minority communities can be particularly vulnerable to harm and accepts responsibility to take reasonable and appropriate steps to safeguard their welfare.

According to the [Children First Act 2015](#), [Children First: National Guidance for the Protection and Welfare of Children 2017](#), [the Addendum to Children First \(2019\)](#), and the [Child Protection Procedures for Primary](#)

[and Post Primary Schools \(revised 2023\)](#) a 'child' is defined as 'anyone who is under 18 years of age excluding a person who is or who has been married'. The school will also adhere to the above principles in relation to any adult pupil with a particular vulnerability.

6 The following procedures/measures are in place:

- In relation to any member of staff who is the subject of any investigation (howsoever described) in respect of any act, omission or circumstance in respect of a child attending the school, the school adheres to the relevant procedures set out in Chapter 7 of the Child Protection Procedures for Primary and Post-Primary Schools 2017 and to the relevant agreed disciplinary procedures for school staff which are published on the [gov.ie](#) website.
- In relation to the selection or recruitment of staff and their suitability to work with children, the school adheres to the statutory vetting requirements of the [National Vetting Bureau \(Children and Vulnerable Persons\)](#) Acts 2012 to 2016 and to the wider duty of care guidance set out in relevant Garda vetting and recruitment circulars published by the Department of Education and available on the [gov.ie](#) website.
- In relation to the provision of information and, where necessary, instruction and training, to staff in respect of the identification of the occurrence of harm (as defined in the 2015 Act) the school-
 - Has provided each member of staff with a copy of the school's Child Safeguarding Statement
 - Ensures all new staff are provided with a copy of the school's Child Safeguarding Statement
 - Encourages staff to avail of relevant training
 - Encourages Board of Management members to avail of relevant training
 - The Board of Management maintains records of all staff and Board member training
- In relation to reporting of child protection concerns to Tusla, all school personnel are required to adhere to the procedures set out in the Child Protection Procedures for Primary and Post-Primary Schools (revised 2023), including in the case of registered teachers, those in relation to mandated reporting under the Children First Act 2015.
- All registered teachers employed by the school are mandated persons under the Children First Act 2015, and all school personnel are required to adhere to the procedures set out in the Child Protection Procedures for Primary and Post-Primary Schools 2017 in relation to mandated reporting:
 - School personnel should in the first instance and without delay seek advice and guidance from the DLP (Head of School), if they have any concern regarding Child Protection and Welfare
 - Where the level of concern is at or above the defined 'threshold of harm', this will necessitate a 'mandated report'. The 'threshold of harm' is defined as 'assault, ill-treatment or neglect of the child in a manner that seriously affects or is likely to seriously affect the child's health, development or welfare'.
 - If the level of concern is at or above this threshold, the mandated person must (working with the DLP) submit a mandated report.
 - Where the level of concern does not reach the threshold for mandated reporting, and the member of school personnel has reasonable grounds for concern about the welfare or protection of a child, this concern should be reported (working with the DLP) to Tusla under the Children First: National Guidance.
 - Reasonable Grounds for Concern include:
 - a) Evidence (e.g. injury or behaviour) that is consistent with abuse and is unlikely to have been caused in any other way
 - b) Any concern about possible sexual abuse
 - c) Consistent signs that a child is suffering from emotional or physical neglect

- d) A child saying or indicating by other means that they have been abused
 - e) Admission or indication by an adult or a child of an alleged abuse they committed
 - f) An account from a person who saw the child being abused
 - In the event that the concern is in relation to the Designated Liaison Person, the concern should be reported to the Chairperson of the Board of Management.
 - In the event of the absence of the DLP, the Deputy Designated Liaison Person should be involved.
 - The DLP / DDLP / Chairperson may then report to or consult with TUSLA to initiate an appropriate response pathway.
 - Where contact with TUSLA cannot be established and if it is deemed that there is an immediate risk to the safety and welfare of the child concerned, the DLP / DDLP / Chairperson should contact the Gardaí.
 - In the event that the DLP/DDLP determines that a report to TUSLA is not necessary, the DLP/DDLP must advise the member of staff in writing, detailing their reasons for not doing so. Should the staff member not be satisfied with the DLP's / DDLP's decision not to report and have reasonable grounds for concern for the safety and welfare of the child, the Protection for Persons Reporting Child Abuse Act 1998 enables the staff member to make a separate report to TUSLA 'reasonably and in good faith' and they have the right to do so. The staff member will not be penalised for taking such action notwithstanding any previous decisions to the contrary by the DLP/DDLP.
 - The DLP / DDLP is not obliged to advise parents / caregivers prior to making a report if it is deemed that so doing may further endanger the child or the person making the report, or if so doing would compromise the Child and Family Agency's ability to carry out a risk assessment.
 - The DLP / DDLP will ensure that appropriate action is taken in the event of incidents or the presence of reasonable grounds for concern, and provide support and advice to the individuals who raise or disclose a concern.
 - The DLP / DDLP will ensure the confidential, detailed and accurate records of all safeguarding concerns are maintained and securely stored.
- In accordance with the Children First Act 2015 and the Addendum to Children First (2019), the Board has carried out an assessment of any potential for harm to a child while attending the school or participating in school activities. A written assessment setting out the areas of risk identified and the school's procedures for managing those risks is included with the Child Safeguarding Statement.
 - The various procedures referred to in this Statement can be accessed via the school's website, the gov.ie website or will be made available on request by the school.
- 7 This statement has been published on the school's website and has been provided to all members of school personnel, the Parent Teacher Association and the patron. It is readily accessible to parents and guardians on request. A copy of this Statement will be made available to Tusla and the Department if requested.
- 8 This Child Safeguarding Statement will be reviewed annually or as soon as practicable after there has been a material change in any matter to which this statement refers.

This Child Safeguarding Statement was adopted by the Board of Management on 31st August 2023.

This Child Safeguarding Statement was reviewed by the Board of Management on 31st August 2023.

Staff will ensure that there is provision for gendered sleeping quarters for students as appropriate. Staff will ensure that all transport used is compliant with statutory requirements. Staff will ensure that any accompanying adults are Garda vetted.
- Recording of school events is only done with prior parent/guardian consent and the Acceptable Usage Policy is applied in all cases. Sharing of any images and recordings is done with the prior consent of any and all subjects of such images and recordings and is conducted for educational and/or school purposes only.
- All transport is sourced and co-ordinated centrally through the school’s business office using trusted service providers. Whether transport is provided by private bus companies or by Dublin Bus (through third party providers), the school seeks written confirmation that all bus drivers have been Garda vetted.

Important Note: It should be noted that risk in the context of this risk assessment is the risk of “harm” as defined in the Children First Act 2015 and not general health and safety risk. The definition of harm is set out in Chapter 4 of the *Child Protection Procedures for Primary and Post- Primary Schools 2017*

In undertaking this risk assessment, the Board of Management has endeavoured to identify as far as possible the risks of harm that are relevant to this school and to ensure that adequate procedures are in place to manage all risks identified. While it is not possible to foresee and remove all risk of harm, the school has in place the procedures listed in this risk assessment to manage and reduce risk to the greatest possible extent.
