

Music Scholarship

Sutton Park School is proud to announce a number of music scholarships will be available through the Young Musician Competition. The school wants to build on its excellent achievements in music performance and this is an opportunity for musicians interested in combining intensive opportunities to practice with mainstream schooling. Applicants who have performed at the Prize Winner's Concert can apply for entry to the school through normal school admissions procedures. The scholarship application will be taken in the context of the schools deadlines regarding admissions. This especially applies in relation to our 1st Year Cohort.
